Dear Parents and Carers

I am writing to introduce myself to you all as your new Headteacher. I have been a Headteacher in 2 schools before and in my work as an Ofsted inspector and in my role as a National Leader of Education (NLE) I have had the pleasure of visiting many schools. So I have lots of experience to bring to Hawksworth Wood.

In these very strange times, I have still managed to spend time with Miss Owen and some of the staff to get to know the school. And I am really looking forward to getting to know you all once the school is open again.

Your children's teachers will continue to share work for you to try at home, this will be moving to our school website instead of the Google Drive links. Please don't stress about any of the work, it's more important that you are all calm and safe during this lockdown. If you have any questions, or would like to share any of your child's work, we'd love to hear from you on our new teacher email address: teacher@hwood.org.uk. Feel free to share some pictures of some of the things you've been up to on our Twitter too @HWPSLeeds.

We're all still here for you so please get in touch if you need anything. You can leave an answer phone message or email the office.

I look forward to meeting you all in person soon!

Take care of yourselves and your families.

Eleanore Pickard

Headteacher
