

October 2020

Dear Parent/Carer

This year our Harvest festival will be a little different as we are unable to make our usual visit to St Marys Church.

However, we will still have some fantastic plans to make it an enjoyable experience for our children and an opportunity to support our local community.

The children will take part in an online assembly in their own year group bubbles, and Mark Twine, Youth and Children's Worker from St. Mary's has provided us with a pre-recorded assembly message.

In addition to this if you can make a donation of tinned foods, dried foods or toiletries we would be very grateful.

Each Year group will have a collection box, all items will then be donated to St. Mary's to be used in their Christmas Hamper Programme, which is run for local families who may need a little extra help over the Christmas break.

Please can we have your donations to school by Wednesday 21st October.

Thank you for your support with this.

Kind regards.

Lyndsey Benn
Assistant Headteacher
