Curriculum Newsletter

Autumn Term 1
Year 3

English

In English this term, all texts will align with our new topic, 'Set in Stone'. First, we will read *Iron Man* by Ted Hughes and re write our very own narrative of the battle. We will also create an information text which informs and entertains the reader about the journey of the Stone Age. Next, we will read, *Stig of the Dump*, *The Street Beneath My Feet* and *Journey Through the Stone Age*.

Topic

Our topic this half term is, 'Set in Stone'. In History, we will be learning all about the Stone Age and discover how times changed from the Stone Age to the Bronze Age in Britain. In Design and Technology, we will be designing and making our own Stone Age tools. In Art, we will work inspired by the artist Nick Rowland, creating our own volcano painting.

Science

In science, we will be learning about different rocks and their properties.

Maths

In Maths we will be starting with number & place value, looking at 3 digit numbers. Then, we will move onto addition and subtraction, choosing effective methods to solve 3 digit problems. Finally, we will move onto geometry and compare triangles and quadrilaterals, looking at angles. Please log onto TTRockstars to keep learning the times tables!

PE

Please send your child in correct PE kit (see school website) on **FRIDAY** in Miss Scotchford's Class and **TUESDAY** in Mr Kelly's.

Dates for your Diary
Friday 29th September

MacMillan Coffee morning

How you can help at home?

Please ensure that your child's uniform, coat, packed lunch and book bag all **have their name inside**.

Please log onto seesaw to access homework and any pictures uploaded of your child.

Please support your child learning their times tables at home.
