

ENGLISH

This half term, our English learning will be based on the Suffragette movement and exploring key figures such as Emmaline Pankhurst. We will be reporting on a significant event that changed history – Martin Luther King Jr famous speech through a newspaper report as well as writing a biography about a famous suffragette.

MATHS

In Maths we will be learning about metric and imperial measures and how to convert between both as well as revisiting our fractions learning and understanding how they relate to decimals and percentages and finding equivalences.

TOPIC

Our topic this term is 'I have a Dream' where the children will explore inequalities and breaches of human rights through significant points in history. The children will understand how and why change has happened through movement and campaigns using art, debate, speech and exploring the use of propaganda.

Robin wood Residential –
12th – 14th February 2025

SCIENCE

In Science, we will be learning about 'Evolution and inheritance. We will study patterns in humans and other species, the children will learn about inherited and environmental characteristics, understand how observations led Darwin and Wallace to develop theories, model finch variation and natural selection to explain species evolution and explore fossil evidence supporting this theory.

How you can help at home

Spellings and homework shared on seesaw on Mondays.

PE – Monday - Please remember to wear your school PE Kit on a Monday for our long PE session. School PE kit must be worn- plain white t-shirt, black or navy jogging bottoms and either a school jumper or navy jumper for colder days.

Reading books will be sent home to your child every week. Children should be reading at least twice a week. Books must be returned to school daily.

Practicing times tables- TT Rockstars is a great way to practice. Please let your child's teacher know if there any problems with logging in and accessing this at home.
